

Whistleblower protection

Dear employees, customers and partners,

we have organized whistleblower protection together with our data protection consultancy DBC. Reports of violations of EU or national law can also be submitted anonymously to DBC. You will receive an acknowledgement of receipt within 7 days, unless the report was received anonymously. As an external partner, DBC ensures that both data protection and the identity of the whistleblower are protected in the best possible way.

The reporting channel set up for this purpose is:

Phone +49 2562 989 01

E-mail hinweise@dbc.de

Web-form dbc.de/hinweise-bueltel

Personal After arranged appointment via the contact channels mentioned above.
